EDUCATION

Madhav Institute of Technology and Science

Bachelor of Technology in Electronics and Telecommunication (9.05 CGPA)

Gwalior, M.P

Sept. 2023 – May 2027

EXPERIENCE

Frontend Developer Intern

Dec 2024 – Jan 2025

GREENTRACE CONSULTANCY PRIVATE LIMITED

Delhi, India

- * Developed and designed responsive web pages using HTML, CSS, Bootstrap, React, and JavaScript.
- * Implemented interactive UI components and ensured smooth frontend functionality for better user experience.
- * Collaborated on frontend development, focusing on clean design, usability, and performance optimization.

PROJECTS

AI Internship Recommendation Engine

Aug 2025 – Sept 2025

- Built an AI-powered recommendation system for the PM Internship Scheme using a hybrid ML model (rule-based and semantic similarity) to suggest Top 3 to 5 internship opportunities.
- Integrated a multilingual AI chatbot and AI resume scanner for real-time guidance and automated skill extraction.
- Built with React.js, Node.js, Firebase, and Python/FastAPI, featuring a mobile-first accessible UI with dark/light mode support.

Smart Helpdesk Ticketing System

Sept 2025 – Oct 2025

- Developed a unified, centralized IT ticketing system using React.js and Node.js to replace multiple platforms and streamline support.
- Implemented an advanced ML/NLP pipeline (MiniLM, BERT, DeBERTa) to automatically classify ticket urgency and accurately route tickets to the correct IT department, significantly speeding up resolution.
- Integrated a multimodal AI Chatbot with ReAct Loop reasoning, allowing users to create and resolve tickets using text, voice, screenshots, or video.
- Resulted in faster resolution times and enhanced user satisfaction by providing instant support and reducing the manual workload on IT teams.

TECHNICAL SKILLS

Languages: Java, Python, JavaScript, SQL, HTML, CSS

Frameworks & Libraries: React.js, Node.js, FastAPI, Bootstrap, Material-UI

Databases & Cloud: Firebase, MongoDB

Developer Tools: Git, GitHub, VS Code, Visual Studio, Postman

Data Structures and Algorithms: Java

Operating Systems: Windows

Other Skills: RESTful API Development, Chatbot Integration, Hybrid Recommendation Systems, Responsive UI Design

EXTRA-CURRICULAR RESPONSIBILITIES

- * **SAARTHI Coordinator (NEP 2020):** Served as the coordinator for the SAARTHI program under NEP 2020, affiliated with UGC.
- * **Student Coordinator – 2nd International Student Conference on Multidisciplinary and Current Technical Research (ISCMCTR) 2024:** Managed and coordinated conference sessions and student participation.
- * **Class Representative:** Class Representative from the beginning of the academic session to date, facilitating communication between faculty and students.
- * **Competitive Coding Student Coordinator:** Organized and coordinated institute-level competitive coding activities and events.
